

## Datganiad **COVID-19** Statement

### **COVID-19:**

Considering the ongoing Pandemic, the ODA is promoting the concept of 'Social Distancing' as per the Welsh Government and NHS guidelines, and so for that reason, we have suspended, and seek to reschedule our missed and upcoming social events until further notice. Details of those, including the AGM will be circulated as soon as possible. Clearly, this unprecedented and dynamic pandemic situation will dictate our actions.

For the very latest update on ODA events, please keep an eye on the [Website News and Events Pages](#) of the ODA Website, [HERE](#): <http://oldda.synthasite.com/news-and-events.php> – and if you've registered your email address with us, please look out for our occasional e-mail bulletins also. From the Members News and Events pages of the website, you may view [The ODA Events Calendar](#), which is a further source of information for you.

Thanks for your patience and understanding!

Stay safe and our very best regards!

**ODA Committee**
